President's Report:

As most of you may have heard, Ma'ave Enos passed away recently. I'd like to take a moment of silence in honor of her. RIP Ma'ave

I hope everyone is weathering the storms we've been having. Please beware of possible storms coming up. Prepare ahead of time: propane stove, food, water, etc.

I want to thank our new maintenance guys Sascha and Joshua along with Peter for their expedient response in clearing the debris caused by the recent storms.

Mahalo to you all!

Geri wants to step down from Secretary and Eric is willing to step up

Maintenance Report:

After Hurricane Lala, fallen trees were cut and cleared off our roads. Roads and easements were widened and cut throughout the subdivision.

Office Report:

Cristin has not been returning calls for months. Roxanne contacted another CPA.

Voting ballots have been mailed out to property owners in good standing.
